## Catie & Sophia!

*Meet Sophia (5yrs) and Catie (9yrs)! Catie and Sophia were born in Australia! They live in America now, but they often travel AROUND THE WORLD with their mom and dad telling people about how much Jesus loves them!!! We caught up with them, and they shared some pretty fun information about life in America and life in Australia!*

**Hi girls! Can you tell us a little bit about your travels?**

**Sophia:** Yes! We get to do super fun things in HEAPS of places!

**Catie:** ...Sometimes on long flights we have time to watch a lot of movies!

**What countries have you lived in, and where do you live now?**

**Sophia:** We have lived in Australia, and now we live in America.
